

**PACIFIC CONTINENTAL ENGINES, INC.**

**Engine Warranty**

Engine Model: \_\_\_\_\_ Engine Serial No.: \_\_\_\_\_ Warranty Number: \_\_\_\_\_ Date: \_\_\_\_\_

**FULL WARRANTY**

**PACIFIC CONTINENTAL ENGINES, INC. warrants this ENGINE to be free from defects in material and workmanship under normal use for a FULL TWENTY-FOUR (24) MONTHS or FIVE HUNDRED (500) HOURS, whichever occurs first, from date of installation or TEN (10) days after shipment date, whichever is applicable.**

**LIMITED WARRANTY**

**Additionally, cylinders, crankshaft, camshaft, and crankcase are further warranted on a pro-rated basis to the recommended T.B.O. of the engine, at a minimum rate of 40 hours per month.**

**TERMS AND CONDITIONS**

<b>I.</b>	Warranty service may be accomplished at facilities other than Pacific Continental Engines, Inc. but ONLY AFTER PRIOR WRITTEN APPROVAL from Pacific Continental Engines, Inc. and provided all work is performed at prevailing rates with Pacific Continental Engines, Inc. retaining the option to furnish all parts.
<b>II.</b>	This warranty is VOID on this engine and its accessories if they have been repaired or altered outside the Pacific Continental Engines, Inc. facility WITHOUT PRIOR WRITTEN APPROVAL or have been operated contrary to manufacturer's operating instructions or subject to misuse, neglect, accident, use of improper fuel, or operated in a manner different from its original FAA certificated configuration (such as, but not limited to engine RPM, temperature, manifold pressure, fuel flow, and improper adjustment), subsequent to installation or shipment from Pacific Continental Engines, Inc.
<b>III.</b>	This warranty expressly excludes shipping expense, liability to user or passengers, loss of revenue, or loss of use, with reference to operation and performance of this engine.
<b>IV.</b>	All engine accessories are guaranteed for one year or 500 hours, whichever occurs first. Engine accessories are defined as follows: Continental and Lycoming fuel injection systems (fuel servo, throttle control, fuel pump, flow divider, nozzle lines, nozzles), Carburetor, Magneto, Starter, Alternator, Generator, Vacuum Pump, Tach Generator, Hydraulic Pump, Primer Diverter Valve, Exhaust System, Turbo Charger, Wastegate, Controller, and Pressure Relief Valve.
<b>V.</b>	<b>WARNING.</b> . . Automotive fuels are not recommended for use in aircraft engines. The use of any fuel other than the proper octane of an aviation grade fuel will void all warranties.
<b>VI.</b>	The amount of TROUBLE-SHOOTING costs allowed will be the reasonable costs under the circumstances of identifying the need for such repairs or replacements, but in no event will the TROUBLE-SHOOTING cost allowance exceed fifteen percent (15%) of the reasonable labor costs associated with such repairs or replacements.
<b>VII.</b>	Pro-rate warranty will be computed as follows: When repair or replacement is made the owner will pay a net price for a replacement engine or part utilized in effecting such repair or replacement which will equal the current list price of the replacement engine or part divided by the total number of hours of warranty coverage (TBO) and then multiplied by the total number of warranty hours or actual hours, whichever is greater, on the repaired or replaced engine.
<b>VIII.</b>	Warranty repair or replacement of any part shall not extend this warranty beyond the original warranty time or hour limitation.
<b>IX.</b>	Original manufactured component or cylinder warranty registration documentation must be completed and registered with the respective manufacturer.
<b>X</b>	This warranty applies to engines installed, inspected and maintained in accordance with Federal Aviation Regulations, instructions for continued airworthiness, applicable service bulletins, service directives, service letters, service instructions, the aircraft manufacturer or any accessory or component manufacturer. Compliance with recommended maintenance and inspections must be documented by appropriate logbook entries, and the original engine logbook must be made available to representatives of PCE when applying for warranty consideration.
<b>XI.</b>	For all warranty situations call (818)899-5200 FOR APPROVAL. By signing of a PCE quotation or estimate form(s), customer agrees to the terms of this warranty and disclaimer.
